Annual Action Plan 2010-2011

To: District/Bargaining Unit Presidents

From: Paul Elliott, Vice-President
Sandra Sahli, Vice-President

For: Action

The OSSTF Annual Action Plan has been developed each of the last five years with the input of districts, bargaining units, committees, councils, sectors, provincial executive, staff and members at large on a wide range of issues. Each year the vice presidents review this input and package many of the suggestions into the Annual Action Plan. Although the Annual Action Plan usually has a theme, many items within the Action Plan fall outside of this theme and actually fall under the category of what the annual assembly regards as Miscellaneous Action Motions. After the Annual Action Plan is released in February, items which have not been included in the Action Plan are submitted as MAC motions to AMPA.

In an effort to bring more focus to the Annual Action Plan of 2010-2011, the Provincial Executive is asking for submissions around a specific theme. These submissions will then be used to develop a focussed Action Plan around this specific theme. The membership is still encouraged to submit Miscellaneous Action Motions for approval at the annual assembly on a wide range of issues through the usual process of submitting resolutions.

The theme for the Annual Action Plan of 2010-2011 will be **Membership Outreach**. Districts, bargaining units, committees, councils, sectors, provincial executive, staff and members at large are invited to submit input for the Annual Action Plan which will assist the Federation in developing an action plan around this central theme.

It is time to begin the process and your cooperation is appreciated.

Please complete the attached form outlining:

1. the action or program suggestion
2. an outline of the rationale for the proposal
3. estimated budget

The vice-presidents will collect the input and develop the Annual Action Plan. The Annual Action Plan, once approved by the Provincial Executive, will be presented as a draft document at the January meeting of Provincial Council. The final document will be presented and recommended by the Provincial Executive for approval at AMPA in March 2010.
