

OTIP RAEO.

Your Extended Health Care benefits now help you with cancer.

CAREpath – With you every step of the way™. OTIP is pleased to provide the services of CAREpath, a cancer assistance program, to members of the Peel OSSTF extended health care (EHC) benefit plan.

As of September 1, 2008, you have access to the **CAREpath Navigation System™** and **CAREpath Survivor Support Program** if you, your spouse or dependant children suspect or are living with cancer, or had cancer in the past.

CAREpath is a Canadian-owned and operated health care organization that provides cancer-related service programs for Canadians and their families.

CAREpath's goal is to support - not replace - health services provided by your doctors. CAREpath services are delivered by your personal CAREpath cancer Nurse, backed by a CAREpath Oncology physician. Working with CAREpath is like having your own cancer experts at your side from the first time you call, through your treatment and into survivorship.

CAREpath's Navigation System™ is designed to assist you in coping with a newly-diagnosed cancer or cancer recurrence. Your CAREpath cancer Nurse helps you navigate the complex health care system, answers all of your questions and helps your doctors help you, the best they can.

CAREpath's Survivor Support Program helps past cancer patients better manage long-term side-effects of their treatment and ensure all measures are being taken to help reduce the risk of recurrence and other chronic disease.

Your CAREpath team follows the most up-to-date guidelines for cancer treatment and care, to ensure that you receive the very best advice.

CAREpath is available to you, your spouse (including common-law and same-sex partnerships) and dependant children 25 years of age or younger. CAREpath's services are completely confidential; your personal information is never shared with OTIP, your co-workers or Union.

Find out more online at www.otip.com, or info@carepath.ca. Speak with a CAREpath team member directly by calling the **CAREpath Benefit Line for OTIP members at 1-800-290-5106**. They will take your pertinent information and arrange for a call-back from your personal CAREpath cancer Nurse who will be able to answer all of your questions.

In order to verify your eligibility, you will need your OTIP EHC policy number which can be found on your benefits card.

Call CAREpath. We'll be with you, every step of the way™.
